EXPANDING SYMBOLS BONUS

Start the *Expanding Symbols* bonus by collecting 3 bonus symbols. Activate the wheel to select a random symbol which could be *transformed into an Expanding Symbol!* Enjoy this new symbol during 10 free spins!

Expanding Symbols

The *Expanding Symbols* expand in their reels if the required number is reached. This number is based on the smallest possible combination (see payable). These symbols (and only them) will pay out on each payable. Their value is identical to the original symbol and the Bonus symbols don't replace the *Expanding Symbols*.

Free spins

Free spins are played automatically.
3 bonus symbols offer 10 additional free spins.

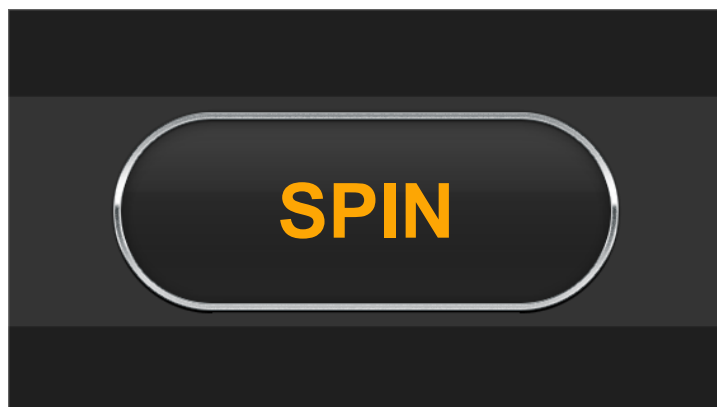

GENERAL RULES

Align the symbols and collect your winnings!

A slot consists of a number of *reels* that spin and then stop to make *winning combinations*.

The *paytable* gives an overview of the value and the characteristics of each symbol.

Determine your stake by clicking the - *and* + buttons. Then start the game by clicking the *Spin button*.

AUTO SPIN MENU

Automatic spins are spins that are played automatically, one after the other, until a stop condition is triggered. These spins are configurable according to the criteria defined below.

Number of spins

Automatic spin stops as soon as the chosen number of spins has been played.

Loss Limit (by Bet)

Automatic spin stops if your initial credits decrease by the selected value (by bet).

Single Win Limit (by Bet)

The automatic spin stops as soon as the winnings on a game reach at least the selected value (by bet).

ADDITIONAL INFORMATION

Malfunction voids all pays and plays.

Note that interrupted games can be resumed for completion.
