FREE SPINS

When *three WILD symbols* are displayed in the grid, you get access to the bonus game.

The bonus game consists of *10 free spins*. During these free spins, a *WILD column* will appear in two reels, randomly chosen, for each spin. These special columns replace any symbol for any place occupied by this WILD column. With this action, you are more likely to form winning lines.

If the value of the gain of two WILD symbols is higher than 2 WILD symbols and a small symbol, the *biggest gain will be taken*.

If during the 10 free spins there are again 3 new WILD symbols visible in the grid you get another *10 free spins that will be added to the other spins*.

After all Free spins are played, you will get a short overview on the screen with your winnings.
