# Night Race bonus

## NIGHT RACE!

Trigger **3 Bonus symbols** in your game to win **5 Free Spins**.

During these Free Spins, your winnings will multiply accordingly. All the bonus symbols will automatically become **Frozen WILD!** until the end of the bonus.

Change gears from Free Spin to Free Spin. Take advantage of the acceleration by multiplying your winnings by 3x, 5x, 10x, 15x up to **30 times their value**.

The Free Spins are played automatically and Bonus symbols only act as a WILD symbol.

## Police Chase Bonus

### POLICE CHASE !

The **WILD** sheriff's car goes full speed ahead in the 3rd reel. If the sheriff symbol stops in the grid, you win a **Reverse** or **GearShift** Free Spin!

1. If you have a winning combination, the **Reverse** feature is unleashed. The sheriff's car is transformed into a **Frozen WILD** and the combination is played again without the sheriff.

2. If you don't have any winning combination, the **GearShift** feature is unleashed. A multiplier is chosen and the Sheriff's car is transformed into a **Frozen WILD** until the next spin.

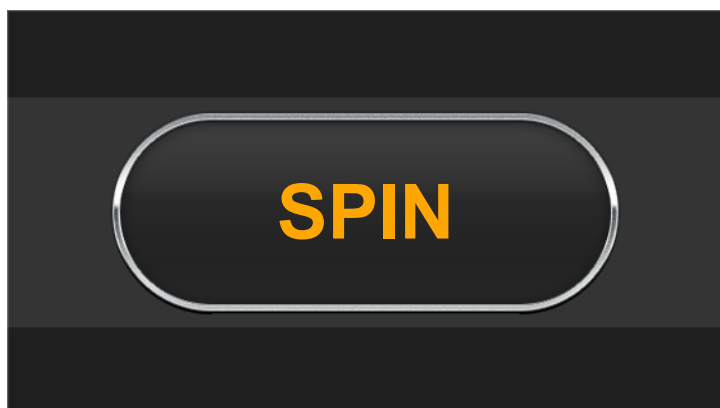

## General Rules

### ALIGN THE SYMBOLS AND COLLECT YOUR WINNINGS!

A slot consists of a number of **reels** that spin and then stop to make **winning combinations**.

The **paytable** gives an overview of the value and the characteristics of each symbol.

Determine your stake by clicking the **- and +** buttons. Then start the game by clicking the **Spin button**.

# Auto Spin Menu

Automatic spins are spins that are played automatically, one after the other, until a stop condition is triggered. These spins are configurable according to the criteria defined below.

## NUMBER OF SPINS

Automatic spin stops as soon as the chosen number of spins has been played.

## LOSS LIMIT

Automatic spin stops if your initial credits decrease by the selected value.

## SINGLE WIN LIMIT

The automatic spin stops as soon as the winnings on a game reach at least the selected amount.

# Additional information

Malfunction voids all pays and plays.

Note that interrupted games can be resumed for completion.
