

VERTICAL ROULETTE

How to play

Determine the value of the chip and place it on one of the various zones on the roulette table. Whenever you're ready, press the 'Play' button. If the ball lands on one of the numbers you bet on, you'll receive the corresponding winnings.

After your first game the button 'Same Bet' allows you to place your chips on the same numbers as in the previous game. The 'Replay' button allows you to replace your chips and start the game with a single click.

You can double the value of all your chips with the button 'X2'.

You can go back or cancel the placement of your chips with the buttons 'Cancel' or 'Undo'.

The Roulette views

You can choose to play on 2 types of views. Depending on the table you can bet differently while using the same numbers. You can change views at any time during the game.

The traditional view

This roulette table shows 37 numbers, from 0 to 36, split in 3 columns of 12 numbers and the box 0.

The multiple wagers contain the following bets:

- Straight: bet on a single number. Win 35 times your stake.
- Split: bet on the line between 2 numbers. Win 17 times your stake.
- Street: bet on a series of 3 numbers on the edge of the table. Win 11 times your stake.
- 0/1/2 and 0/2/3: bet on 3 numbers. Win 11 times your stake.
- Corner: bet on the intersection between 4 numbers. Win 8 times your stake.
- First four: bet on the first 4 numbers from 0. Win 8 times your stake.
- Six line or double street: bet on 6 numbers between 2 streets. Win 5 times your stake.
- Dozen: all the numbers from 1 to 12, 13 to 24 or 25 to 36. Win 2 times your stake.
- Columns: all the numbers on the 1st, 2nd or 3rd column. Win 2 times your stake.

The single wagers: you bet on half of the numbers except for zero. Win 1 time your stake.

- Red: all the red numbers
- Black: all the black numbers
- Even: all the even numbers
- Odd: all the odd numbers
- Low: all the numbers from 1 to 18.
- High: all the numbers from 19 to 36.

The race track view

On this table the numbers are in the same order as they are on the roulette wheel. When you bet on the race track, you bet on a series of at least 5 numbers.

Additional shortcuts allow you to play on:

- The thirds: you bet on one third of the numbers (opposite the 0). The bet includes 12 numbers.
- Series 0/2/3: the numbers which are close to 0 on the wheel, 0 included. The bet includes 17 numbers.
- Orphans: the numbers that are neither part of one third of the wheel nor close to 0. The bet includes 8 numbers.
- Black split: only the split black numbers.
- Red split: only the split red numbers.
